

GC Series Grease Caps

Series GC Grease Caps snap securely over fittings to seal out dirt and moisture. Integral retaining ring keeps cap in place during servicing. Color coding may be used to indicate type and/or frequency of lubrication. Caps also make good masks for spray painting. Available in two styles.

Material: Low-Density Polyethylene **Color*:** Red, Blue, Yellow, Green, Black, White

Caplug No.	Dimensions						Packaging	
	A		B		C		Carton Quantity	Mini Pak Quantity
	In	mm	In	mm	In	mm
