

PTC Series Tapered Paper Caps

Manufactured from natural paper which is 100% recyclable, Series PTC Paper Caps are the answer for applications requiring “environmentally friendly” components. These closures will withstand intermittent temperatures up to 400°F (204°C), making them ideal for high-temperature applications which may degrade typical plastic caps.

Material: 90 lb. Paperboard **Color:** Brown

Caplug No.	Pipe Size Inches	Dimensions						Packaging	
		A		B		C		Carton Quantity	Mini Pak Quantity
		In	mm	In	mm	In	mm
